Important Information:

Parent volunteers

Parent volunteers will be needed at Adcock before 8:30am for the 800m races. We thank you for your support.

Field Events – (Discus, High Jump, Long Jump and Shot Put only)

Only the finalists will compete on the day. These students were listed on the office door and outside of 4G's window. These students will also be called by the announcer on the day.

Places/Results/ Ribbons

All student placings and ribbons will not be given or finalised until late next week. Please be aware that each event in the carnival requires careful analysis of the data being collected to determine placings for zone entries and that students should not assume they have gained entry until being notified.

The Recorder's Table

Please respect that the recorder is very busy sorting through bundles of paper work. If you require assistance, please notify Mr Lincoln the carnival convenor.

Uniform

Students are required to wear their black school sport shorts and a Woy Woy South polo (Our new school sport polo, white polo or Year 6 Red polo with WWS badges are all acceptable). Students are not to wear their old house colour shirts.

All students must have a Woy Woy South hat. House points will be given to the best presented house. Wrist bands will be provided to identify house colours.

Recess and Lunch

Students are required to bring their own recess, lunch and drinks (two refillable water bottles recommended). Canteen facilities are available and we encourage parents and students to purchase food and support our wonderful P&C volunteers.

Signing out your Child

There will be a table set up for marking the roll for early leavers. You will be notified of its location by the announcer Mr Young in the morning.

Seating Arrangements

Students will need to be in their designated house areas when not competing in events. Parents are welcome to join their children and sit in the house areas. It is imperative that all students stay in their designated areas (3-6 House areas within the velodrome and K-2 in the adjacent oval). No 3-6 student will be permitted to leave the velodrome for the purpose of watching the K-2 activities. This is to ensure the adequate supervision and safety for all students.

Supervision

There will be several teachers on duty throughout the day, so if there are any issues please ask for assistance. *Students will be required to listen to the announcer and be responsible for going to their own events.* If students are between events, they must be seated in their house areas. Students who are found outside their areas without permission risk losing points for their house.

Students will need teacher permission go to the canteen and toilets. Anywhere outside the boundaries of the Athletics field is completely out of bounds.

Program and Map

On the other sheet I have added the Program and Map. We will attempt to keep to the schedule as much as possible.

*I am looking forward to having another great carnival.
Good luck everyone!*
