### MESSAGE FROM THE PRINCIPAL

#### Bush Fire Situation

I'd like to thank everyone in our school community for their patience and understanding in regard to the current bush fire situation that is threatening large parts of the state. Schools in bush fire prone areas have been inundated with information about potential closures and fortunately, this has not impacted WWSPS. In the unlikely event of a fire breaking out in close proximity to our grounds, an extensive emergency management plan will be followed in consultation with emergency services. Although we are currently not in the direct path of any current threat, please keep a close eye on our Skoolbag App and Facebook page for updates.

#### TTFM Pizza Parties

Congratulations to 3/4K and 2K who were the winning classes in our TTFM Parent Survey Competition. These students will be treated to a Pizza Party on **Thursday 21<sup>st</sup> November**. A note will be sent home shortly - the event will be free of charge. If you would prefer your child did not participate, please return the note by **Wednesday 20<sup>th</sup> November**.

#### Ready for School

This Thursday our 'Ready for School' program continues for our 2020 kindergarten students. This will be Week 4 of the 6 Week program. If you know of anyone living in our zone with Kindergarten age children for 2020, please don't hesitate to invite them along to be a part of the program. Please contact the office if you'd like any further details.

#### Yr. 6 Mini Fete

Tomorrow Year 6 will host their annual Mini Fete to raise funds for their Final Farewell event, which will take place in Week 10. The Year 6 students will provide a wide range of fun events for all students to participate in. It promises to be a fantastic day that all students will enjoy immensely. Thanks to the Stage 3 Staff for all of the organisation of the event.

#### Bounce

Don't forget 'Bounce' our major fundraising event for 2019 which will take place on **Friday 22<sup>nd</sup> November**. Details have already been sent home regarding fundraising and the response so far has been great! All funds raised by the event will contribute to the purchase of additional technology items for use by our students in classrooms.

## Presentation Days 2019

As mentioned in last week's newsletter, our Presentation Days will be held on **December 3rd (Years. K-2)** and **December 4th (Years. 3-6)**. We know these days are very important for parents and that changes to work schedules etc. can take time to organise. We are looking forward to seeing you all there on the day(s) to celebrate student successes in 2019.

## Gold Rewards Excursions

In the coming weeks, those students who have demonstrated an excellent ability to follow our 3 'Rs', Respect, Responsibility and Relationships, over the course of 2019, will be awarded our highest honour for behaviour – a Gold Award. As recognition of this, these students will have the option to attend a free excursion to the Peninsula Leisure Centre on **9<sup>th</sup> December (Years. K-2)** and **13<sup>th</sup> December (Years. 3-6)**. *If your child achieves this honour you will receive a permission note which will need to be returned by **Friday 6th December**.*

Have a great week everyone,  
**Matt Barr**  
Principal

## Year 2 – 3 Transition Information

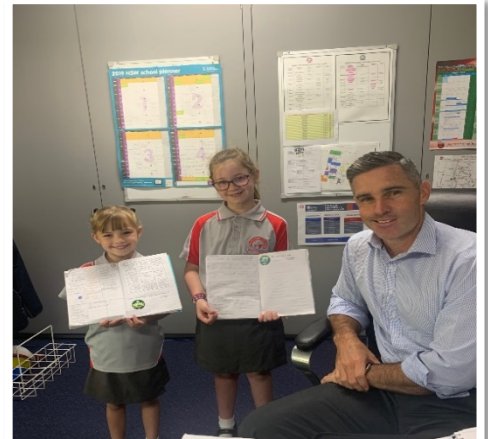

### **AWARDS AND REWARDS**

#### **Certificates**

"Merit Certificates" and "Superstars" are a K-6 award. These awards are presented at our weekly assembly on Friday. Certificates may be for a specified learning area or be for an aspect of the school week as designated by the class teacher. A "Superstar" award is also given out targeting one of the values we emphasise e.g. Respect, Responsibility and Relationships.

**Lucy and Mason in 1B received a Principal's Award from Mr. Barr for their model airplanes.**

**Congratulations to Indy and Isla in 2K who received a Principal's Award from Mr. Barr for their great work!**

#### **Going For Gold**

Bronze, Silver and Gold Awards are a K-6 reward. Class Dojo is used as a system whereby students earn points that accumulate over the year. Students earn these points for a variety of reasons e.g. effort, application to work, collaboration, showing initiative and helping others. A Bronze is 50 points, a Silver is 100 points and a Gold is 150 points. The students strive to achieve their Gold Award and as a reward they get to attend a special Gold Excursion at the end of the year.

#### **Bluey Awards**

Another of our positive reward systems uses "Blueys" These are given out by teachers over the week and by prefects in Friday assemblies for good behaviour. Each term we hold a PBL Rewards Day where students can trade "Blueys" to purchase a voucher for a particular reward that we are offering. E.g Crazy Hair, No Homework or Computer Time.

## PBL "Positive Behavioural Learning" Focus

Our whole school focus for this week is 'Ball Games'. Often when we are playing ball games we are in a team. Working cooperatively in a team requires respect for the other players and a responsible attitude towards following the rules. When we remember our school values of Respect, Responsibility and Relationships when playing ball games, everyone has an enjoyable time.
