### MESSAGE FROM THE PRINCIPAL

#### Staffing Update

Well done to Mr Waight who has recently been permanently appointed to WWSPS. Mr Waight has been at WWS for a number of years as a temporary teacher. Congratulations on your achievement.

#### 2020 School Leaders

Congratulations to all the students who presented speeches for the 2020 school leadership positions. The standard of our nominees was outstanding and while not all will be lucky enough to gain selection, all will be considered important leaders in our school community for 2020.

#### Gold Award Winners

Well done to all students who have received Gold Awards for 2019. These lucky students will receive a permission note shortly for their rewards day at Peninsula Leisure Centre. This event is free of charge and parents are only required to return the permission slip by the specified date.

#### Ready for School

This Thursday is Week 5 of our 'Ready for School' program for 2020 kindergarten students. We hope that all new families and students are enjoying the program and are looking forward to being part of the WWS family in 2020. If you know of anyone living in our zone with Kindergarten age children for 2020, please don't hesitate to invite them along to be a part of the program. Please contact the office if you'd like any further details.

#### Bounce

Don't forget 'Bounce' our major fundraising event for 2019 which will take place this Friday 22<sup>nd</sup> November. Students are reminded to wear their sports uniform including hat. Sunscreen is also strongly advised.

#### Congratulations Tristan – Science Legend

A huge congratulations to Tristan L in 5/6P who placed 3<sup>rd</sup> in the state in the recent VALID science assessment. This is an incredible result considering 5231 students from across NSW participated. Amazing! Special thanks must also

go to Mr Young for his ongoing leadership of science content in our school and contribution to the VALID assessment process.

### Don't Forget!

Our Presentation Days will be held on **December 3<sup>rd</sup> (K-2 ) & December 4<sup>th</sup> (3-6)**. These days are very important for parents and we know that changes to work schedules etc. can take time to organise. We are looking forward to seeing you all there on the day(s) to celebrate student successes in 2019.

***Have a great week everyone,  
Matt Barr  
Principal***

## Year 2 – 3 Transition Information

### **BIKES**

Our school follows RMS/Service NSW recommendations which suggest that students should not be permitted to ride their bikes to school until at least Year 3. Please be aware that not all Year 3 students have the maturity, road sense or skills to safely ride their bikes to school.

This is a decision you must make as a parent.

No child is to ride a bike to and from school without a helmet and bike riding inside the school grounds is not permitted for the safety of other students.

All students needing to cross Ocean Beach Road must walk their bike from the school bike racks out to the crossing and then walk their bike across when the green man appears (following the directions of the teacher supervising).

Once again, this is for their safety and the safety of other students who must follow the same route.

Bikes are enclosed in a locked compound during the school day but students must bring a bike lock to secure their own bike within this area. Unfortunately, we do have people from outside the school who attempt to remove bikes. Children riding scooters must obey the same rules. Skateboards and in-line skates are not permitted at school.

## 'Positive Behaviour For Learning' - After School

This week, our whole school PBL focus is showing Respect, Responsibility and Relationships 'After School'.

Although classroom lessons are finished for the day, it is important that all students continue to remember our school values. Going straight to bus lines, following teachers' instructions and speaking kindly to others while crossing the road and travelling on a bus are all ways we can continue to display our school values after school.
