MESSAGE FROM THE PRINCIPAL

Father's Day Breakfast and Stall

Next Friday 30th August, WWS will be hosting our annual Fathers' Day Breakfast commencing at 7.00am. All fathers, grandads, uncles, brothers and friends are welcome to attend as we would like to recognise you all for the critical role you play in the lives of our children. Following the breakfast, our P&C will be providing a Father's Days stall where students will have the opportunity to buy something nice for Dad.

Absence Notifications

During 2018, WWSPS transitioned to an SMS system for the recording of student absences. This eliminated the need to send a handwritten note to the teacher or email to the school office. This system has been extremely successful for the management of student attendance and in ensuring that we fulfil our responsibilities from a DoE policy perspective. For ease of use and time effectiveness, we ask that wherever possible, the SMS system is used when your child/ren are absent from school.

As mentioned last year, a response as simple as 'sick' or 'appointment', fulfils your responsibility and ours.

Kindergarten 2020

Our next Kindergarten Open Day will be held on Thursday 5 September from 11.30am till 1pm. Our 'Ready for School' program will commence on the first Thursday of Term 4. If you know of anyone who lives locally with Kindergarten age children for 2020, please don't hesitate to invite them along or recommend our school as a great place!

Life Education & Healthy Harold

Healthy Harold has made a long awaited return to WWS this week. It has been many years since the staff at 'Life Education' have visited our school to deliver valuable lessons about critical and sensitive issues that impact on our children today. The Life Ed staff have reported that our students have been sensible, interested and highly respectful.

Congratulations

Congratulations to all of the students who received athletics ribbons or were named as Athletics Age Champions at this morning's assembly. Participation and effort at this year's carnival was at an all-time high, which was fantastic. Well done everyone!

**Have a great week everyone,
Matt Barr

2K love to Read – MS Readathon

Throughout August our class 2K is taking a magical quest filled with adventure and mystery... and it is all for one incredible cause. Our class will be reading as many books as possible in August and raising funds for kids who have a parent living with MS. Funds raised by the MS Readathon go toward sending kids on awesome Family Camps where they can learn about MS and have fun with their family. Thank you for supporting our class's MS Readathon adventure!

Positive Behaviour Learning - Before School

The whole school focus for PBL this week is 'Before School'. If arriving before 8.40, responsibly sit in the designated area for K-2 and 3-6. All bikes and scooters must be walked to the bike racks and phones taken to Mrs Rasmussen for safe storage. At 8.40, remember to play in the correct playground area, only playing games with small balls such as a tennis ball. Use appropriate and kind words to everyone and listen carefully to any instructions given by the teacher on duty. By using our school values of Respect, Responsibility and Relationships before school, we are setting the tone for a positive and rewarding day for everyone.

YEAR 6 Community Project - Caring for the homeless

The Year 6 Leaders are currently involved in a community project to help the hundreds of homeless people who spend each day living on our streets. These people do not have the basic necessities that we all take for granted such as toiletries to keep themselves clean. Woy Woy South students will be collecting any spare travel sized toiletries that you may have collected on your trips, packaging them and donating them to Coast Shelter at the end of this term. Any donation would be gratefully accepted. Please send them to your child's class teacher and they will pass them on.

(Rel) Deputy Principal

Are you a parent volunteer at our school? Important information regarding the Declaration for volunteers and non-child related contractors.

This applies to all volunteers whether it's in our classrooms with reading, in our school canteen, at sporting events or school banking etc.

All volunteers MUST provide 100 points of identification to the office as soon as possible and complete a 'Declaration for Volunteers and non-child related contractors' form, as directed by the Department of Education, even if you have provided a Working with Children Check number.

See the information below for some examples of identification and what they are worth. Examples of identification required:

- Birth Certificate | Passport = 70 points
- Current Drivers Licence / Pensioner Card / Health Care Card = 40 points
- Medicare Card / Rates Notice / Credit Card / Rental Agreement | Seniors Card = 25 points

WORKING WITH CHILDREN CHECK

The majority of parent (close relative) volunteers in schools **do not need to obtain a WWCC clearance**. Most parent volunteers coming in to school are exempt from obtaining a WWCC clearance, regardless of the volunteering activity they are undertaking.

Some examples of exempt volunteers are:

- Parents volunteering for reading groups
- Parents volunteering at a school fete
- Parents volunteering to attend excursions
- Parents volunteering at the canteen

However, all parent (close relative) volunteers **must complete the Appendix 5 declaration** which can be found in the office foyer and **provide 100 points of ID before commencing any volunteer activities within our school.** The office staff will need to sight and copy all identification documents.

**BOOK WEEK
YAY!
IT'S DRESS UP TIME!**

I am very excited about the events that will be happening at our school in Week 6 this term.

You should have already received the permission note about our special Book Week visitors. Our theme this year is history so we are inviting students to dress as an historical figure, for example past sporting greats like Donald Bradman, politicians like Kevin Rudd, John Howard, Donald Trump, famous artists or inventors e.g. Leonardo Di Vinci, Thomas Edison; monarchy for example Queen Victoria, Princess Diana, Henry the VIII or any other historical figure your child may wish to dress as. I can't wait to see their imaginative outfits.

Book Fair

Another exciting event is Book Fair which will also be in Week 6. The theme is Dino-mite which is great for all of our dinosaur lovers. I will have activities for students to enjoy with their parents/carers along with many popular books for sale. Remember every book sold earns money for our school.

Book Fair will be open second half lunch every day in Week 6 for students to purchase items or fill in their wish list. On Friday, the 30th August, parents and carers will be able to visit the Book Fair from 8.20 to 8.55am and again from 3.15pm to 4.00pm. I look forward to seeing you all there.
